

Safe Deposit Boxes

Advanced design, rugged construction, improved security

Through the use of rugged stainless steel, steel, and aluminum construction, with virtually maintenance free finishes, the AX Series safe deposit boxes offer attractive, low cost modular construction, and minimal upkeep.

Construction

The AX series of safe deposit boxes combines 1/2" solid alloy doors faced with stainless steel with cabinets of powder coated rust-resistant steel. For high security, the doors are designed with a heavy flange which interlocks with the door jamb.

The modular cabinets can be stacked in sections, and bolted together through pre-drilled holes in the frame, for an easy installation.

Number Plates

Glare-resistant matte finish number plates are recessed into a special frame which compliments the stainless steel and anodized aluminum finishes.

Metal bond boxes are furnished in all sizes. Boxes are constructed from sheet metal and finished in a grey powder coated enamel finish.

Locks

All boxes are equipped with UL listed, double nozzle key changeable locks, in a satin brass finish.

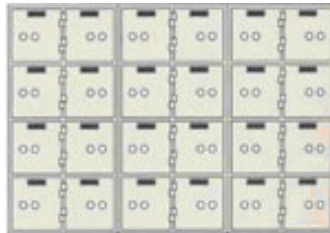

SPECIFICATIONS

AX Series

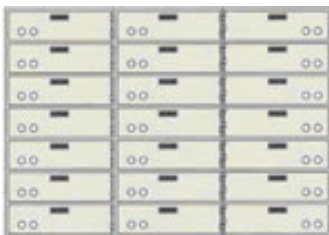

Outside dimensions 22 1/4" High, 32 1/2" Wide, 24" Deep

AX-42 (280 lbs.)
42 openings ea. 3" x 5"

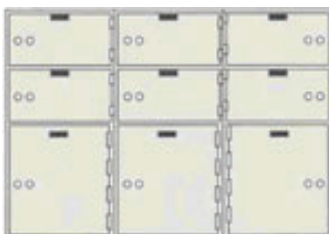

AX-24 (235 lbs.)
24 openings ea. 5" x 5"

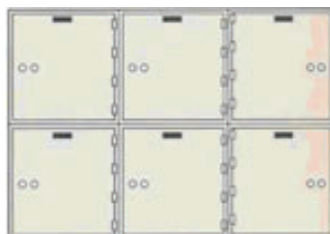

AX-21 (245 lbs.)
21 openings ea. 3" x 10"

AX-12 (190 lbs.)
12 openings ea. 5" x 10"

AX-9 (170 lbs.)
6 openings ea. 5" x 10"
3 openings ea. 10" x 10"

AX-6 (160 lbs.)
6 openings ea. 10" x 10"

AXN Series

Outside dimensions 22 1/4" High, 11 1/16" Wide, 24" Deep

AXN-14 (95 lbs.)
14 openings ea. 3" x 5"

AXN-8 (80 lbs.)
8 openings ea. 5" x 5"

AXN-7 (85 lbs.)
7 openings ea. 3" x 10"

AXN-4 (70 lbs.)
4 openings ea. 5" x 10"

AXN-3 (56 lbs.)
2 openings ea. 5" x 10"
1 opening 10" x 10"
